Wetland Treasure Hunt

Field Work

Wetlands are Full of Treasures. Go to a wetland today see how many you can mark on your list. Draw a map of the wetland. You must mark on the map where you found each item. On your map mark where you saw these treasures.

What to find	Have you found it?
A bird walking	
A bird flying overhead	
A bird eating	
A bird with a funny bill	
Plants growing in the water	
Plants growing on the bank	
A tree	
A fish jumping out of the water	
A fish in the water	
A dragonfly	
Insects in the water	
Rocks around the wetland	
Tree roots in the water	
A rabbit	
An aeroplane flying overhead	
Houses nearby	
Dogs and cats	

Art and Crafts

Field Work

Collect a few leaves, seeds, bark, flowers and/or sticks to take back to the classroom.

Classroom

Make a wetland animal!

Using the materials collected at the wetland, stick and glue them onto a piece of paper to create an animal you saw when you visited the wetland.
